## SWIM TEAM

### STAFF CONTACT

APY – John Thiel Head Swim Coach P 954.7615

E [johnthiel@ymcafoxcities.org](mailto:johnthiel@ymcafoxcities.org)

The YMCA of the Fox Cities offers a year-round competitive swimming program for all ages and abilities ranging from new swimmers to national level athletes. Our focus is on developing character traits within our athletes and a culture within our team that promotes enjoyment of the sport of swimming, building of healthy relationships among teammates, and a desire for personal growth. Practice opportunities are offered between 4-6 days per week depending on the swimmer's age and ability.

\*Registration, team information, practices times and locations, please check our website at [www.fcyst.org](http://www.fcyst.org)

**SWIM TEAM TRIAL** - Thank you for your interest in joining our Team! Swimmers may try the team at the start of each season without obligation. We offer a two-week trial with all our new and interested swimmers in September and a one-week trial with all our new and interested swimmers in April. We also offer trial opportunities to individuals throughout the year.

**SWIM TEAM TRIAL REQUIREMENTS:** Each athlete must be able to safely perform a 25 freestyle and a 25 backstroke without stopping to continue with the trial. It will be the deck coaches' discretion as to whether each athlete is able to safely continue the practice. The ability to do a standing dive is highly encouraged, but not required. For safety reasons, our age **minimum is 6 years old**. We recommend that children work through the swimming lessons at the Y until they are ready to give Competitive Swimming a try. Please contact the swim team office at 920.954.7627 with any questions or visit our website at [www.fcyst.org](http://www.fcyst.org).

### DEVELOPMENTAL

The Developmental Groups are utilized to help our newer athletes, regardless of age, to learn the fundamentals of competitive swimming. Athletes might stay in this group for several years or only a few months depending on how quickly they progress.

### AGE GROUP

The Age Groups are utilized to help our younger athletes who understand the sport of competitive swimming and an array of basic skills to develop positive training habits while expanding on their skill sets. Athletes might stay in this group for several years or only a few months depending on how quickly they progress.

## **JUNIORS**

The Junior Group is utilized to help our developing athletes who understand training habits and an array of skills to continue their overall progress. Athletes in this group will have a broad range of ability and coaches will find ways to make sure all athletes are being appropriately challenged. Athletes must be in grades 6-8 to be in our Junior Group.

## **SENIORS**

The Senior Group is utilized to help our developing athletes who understand training habits and an array of skills to continue their overall progress. Athletes in this group will have a broad range of ability and coaches will find ways to make sure all athletes are being appropriately challenged. Athletes must be in at least grade 8 to be in our Senior Group.

## **GOLD**

The Gold Group is utilized to help the athletes who have made the commitment to working and competing at the highest levels our sport offers. These athletes are seeking out ways to compete for State and National titles and understand that this means making difficult choices when it comes to time management, and lifestyles away from the pool. Athletes must have been in Junior or Senior Group for at least one year and must have a meeting with a parent and coach prior to joining the Gold Group.
